Easytex International

Our ambitious program to reduce our environmental impact.

Our Labels

68/100
92ème percentile ⓘ

Did you know?

Combine the comfort of your pillows and duvets with respect for the environment, with our new range resulting from recycling and made in Europe.

We consume 5 TIMES LESS CO2 to make a 100% recycled polyester quilt* vs. 100% Polyester.

** Example given for a 140x200cm duvet.*
